1 COST RECOVERY

2 8. Section 125.3 of the Code provides, in pertinent part, that the Board may request the  
3 administrative law judge to direct a licentiate found to have committed a violation or violations of  
4 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
5 enforcement of the case, with failure of the licentiate to comply subjecting the license to not being  
6 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be  
7 included in a stipulated settlement.

8 CAUSE FOR DISCIPLINE

9 (Unprofessional Conduct - Out of State Discipline)  
(Bus. & Prof. Code § 2761, subd. (a)(4))

10 9. Respondent has subjected her registered nurse license to disciplinary action under  
11 Code section 2761, subdivision (a)(4), in that on or about July 26, 2012, in a disciplinary action  
12 before the Nevada State Board of Nursing (Nevada Board), Case No. 1044-11C, the Nevada  
13 Board entered an Agreement for Reprimand against Respondent's Nevada registered nurse  
14 license. The circumstances of the Nevada Board's disciplinary action are as follows:

15 10. On or about October 10, 2011, while employed as a registered nurse at a skilled  
16 nursing facility, Respondent left medications unsecured at a patient's bedside. One of the  
17 medications that Respondent left had not been prescribed to the patient. Furthermore, in caring  
18 for that same patient, Respondent substituted the medication Biscodyl for the prescribed  
19 medication Surfax. Respondent then documented Surfax as given in the medication  
20 administration record, when in fact she had given the substituted medication, Bisacodyl. By  
21 signing the Agreement for Reprimand, Respondent freely admitted her conduct and  
22 acknowledged that it constituted a violation of Nevada law in that it was unprofessional, she  
23 failed to properly document controlled substances, and she failed to perform nursing functions in  
24 a manner consistent with established or customary standards.
